

# Opioid Use Disorder - Diagnosis and Evidence-based Treatments

Join us for this free continuing medical education seminar sponsored by the Floyd Memorial Foundation, Baptist Health Floyd and the Kentucky Society of Addiction Medicine \* Saturday, May 19th \* 9:00 –11:00 a.m. Falls of the Ohio, 201 W. Riverside Drive, Clarksville

Presenting Laura Fanucchi, MD, MPH,  
Assistant Professor of Medicine at the University of Kentucky

**\*\*This seminar was approved by the KBML: #A204361283**

## Learning objectives:

- ◆ Recognize the health risks and health consequences of opioid use disorder
- ◆ Articulate that opioid use disorder is a medical disorder that can be treated
- ◆ Describe pharmacotherapies for treatment of opioid use disorder
- ◆ Integrate harm reduction tools and resources in the comprehensive care of persons with opioid use disorder

**About the speaker:** Laura Fanucchi, MD, MPH graduated from Emory University School of Medicine and completed a residency in Internal Medicine at New York – Presbyterian Hospital / Weill Cornell. She also received a Masters in Public Health from Emory University. Her clinical and research focus is on improving the care of hospitalized and medically-complex patients with substance use disorders. Dr. Fanucchi is currently providing treatment for opioid use disorder in HIV primary care at the University of Kentucky Bluegrass Care Clinic.

Designation Statement: Baptist Health Floyd designates this live activity for a maximum of two (2) AMA PRA Category 1 Credit™ for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement: Baptist Health Floyd is accredited by the Indiana State Medical Association (ISMA) to provide continuing medical education for physicians.

ADA Statement: As an organization accredited for continuing medical education, Baptist Health Floyd fully complies with the legal requirements of the Americans with Disabilities Act rules and regulations. If any participant is in need of accommodations, written requests should be submitted to the CME office.

Disclosure: In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, through Indiana State Medical Association (ISMA), educational activities sponsored by BHF must demonstrate balance, independence, objectivity and scientific rigor. All faculty, authors, editors and planning committee members participating in BHF-sponsored activities are required to disclose any relevant financial interest or other relationship with the manufacturers of any commercial products and/or providers of commercial services that are discussed in an educational activity. Dr. Fanucchi does not intend to discuss unapproved/investigational uses of commercial products/devices during this activity. A review of the slide presentation showed no commercial interests or logos.
