Speaker Bios (1 of 2)

Charles Papp, M.D.

Dr. Papp currently is president of the Lexington Medical Society. He is a senior partner in Colorectal Surgical and Gastroenterology Associates and partner in CSGA Surgery Center. He is on Staff at Central Baptist Hospital and Saint Joseph Hospital. Dr. Papp completed medical school at UCLA, completed general surgery residency in Houston at Baylor Medical School and colorectal fellowship at University of Texas, Houston.

Andrea James

Andrea James serves as Community Response Strategist for Mayor Linda Gorton. Her emphasis is on the opioid crisis and its impact on the City of Lexington. She served on Lexington's city council 2007-2011 representing the First District and has the distinct honor of being the first black woman to serve as an elected city council member in Lexington. Andrea has worked in local government, philanthropy and various medical administrative roles. Outside of her work with Mayor Gorton, she is co-owner of S & A Strategies, a consulting firm specializing in intentional inclusion and equity.

Tuyen Tran, M.D., MBA

Dr. Tran is the Executive Board Chair of the Lexington Medical Society. He is owner and Chief Executive Officer for 2nd Chance. He received his undergraduate and medical degrees from the University of Missouri Kansas City School of Medicine. Dr. Tran also holds a Master's in Business Administration from Regis University. He completed his residency in orthopedic surgery at the Medical College of Wisconsin and his residency in internal medicine at the University of Kentucky Medical Center. Dr. Tran is a member of the American College of Physicians, the American Society of Addiction Medicine (ASAM), the Kentucky Medical Association, and the Lexington Medical Society. Dr. Tran is board certified in internal medicine and addiction.

Danesh Mazloomdoost, M.D.

Danesh Mazloomdoost, MD is a Johns Hopkins & MD Anderson trained anesthesiologist, pain, and regenerative specialist. As an international speaker, author, and advocate for reform in pain management, Dr. Danesh consults with private and governmental organizations to develop protocols for pain that minimize opioid dependency, improve patient satisfaction and health outcomes. His new book, *Fifty Shades of Pain: How to Cheat on your Surgeon with a Drugfree Affair* has become an Amazon international best-seller in ten categories. He is now the Medical Director of Wellward Regenerative Medicine in Lexington Kentucky, the flagship for a new and sustainable approach to managing pain while avoiding drugs or surgery.

Chad Traylor, Battalion Chief, EMS

Joined the Lexington Fire Department in 2003. Began career assigned to a fire engine and after completing paramedic training transferred to an ambulance. Throughout the years has held the assignments of a Company Officer, Hazardous Material Team Leader, District Major, Special Operations Commander and is currently the EMS Battalion Chief.

Ryan Stanton, MD

EM doc with Central Emergency Physicians at Baptist Health Lexington. Chief Medical contributor for WKYT TV and producer of "The Doc Is In", the weekly health segment airing in 6 TV markets throughout the southeast. Medical Director for Lexington Fire/EMS and on track traveling physician for the AMR/NASCAR Safety Team. National Spokesperson for the American College of Emergency Physicians and producer of the ACEP Frontline Podcast. Dr. Stanton has been speaking around the country regarding opioids for the past 10+ years and is currently involved with the KHA SOS initiative.

LMS Opioid Symposium

Speaker Bios (2 of 2)

Kraig Humbaugh, M.D., MPH

As Commissioner of Health, *Kraig E. Humbaugh, MD, MPH* is the chief executive officer and medical director for the Lexington-Fayette County Health Department. He is a board-certified pediatrician who has practiced medicine for over twenty-five years in community, academic and public health settings. Dr. Humbaugh earned his undergraduate degree from Vanderbilt University, studied as a Fulbright Scholar at the University of Otago in New Zealand, and received his medical degree from Yale University. He holds a Master of Public Health degree from Johns Hopkins University.

Lou Anna Red Corn, Fayette Commonwealth's Attorney

Lou Anna Red Corn was appointed Fayette Commonwealth's Attorney in 2016, and elected to the position in 2018. She has been a prosecutor in the office since 1987. Lou Anna serves the state's prosecutors as treasurer and Best Practice Committee Co-Chair of the Commonwealth Attorney's Association, she is the current state's representative to the National District Attorneys Association and the nation's prosecutor representative on the National Children's Alliance Board of Directors, the organization that accredits the country's Children Advocacy Centers.

Michelle Lofwall, M.D., DFASAM

Michelle Lofwall MD is a Professor of Behavioral Science and Psychiatry and the Bell Alcohol and Addictions Chair at the University of Kentucky Center on Drug and Alcohol Research. She is the medical director of the First Bridge outpatient opioid use disorder (OUD) treatment clinic that provides comprehensive care to patients discharging from the emergency room and inpatient medical/surgical services. Her clinical research has been funded by the National Institutes of Health and industry with a focus on OUD. She was as an expert panel member on SAMHSA's newly published Substance Treatment Improvement Protocol (TIP 63) for Medication Treatment of OUD, a board member of the American Society of Addiction Medicine, an invited speaker to the National Academy of Medicine and recipient of several medical student teaching and mentorship awards.

Mark Jorrish, M.D., DFASAM

Immediate Past President of KYSAM, distinguished Fellow of ABAM, Board Certified Internal Medicine and Addiction Medicine, practice at BHG Lexington, an OTP offering both methadone and buprenorphine, and at the MORE Center in Louisville, an OTP offering methadone

Catherine Hines

Catherine Hines is the Education and Outreach Coordinator for findhelpnowky.org, Kentucky Injury Prevention and Research Center's treatment locator website. She holds her BA in Classical Studies from Centre College. Catherine currently works with treatment facilities to ensure they update essential information onto the website as needed. She also reaches out to new treatment centers in an attempt to onboard them to the website. She works with the FindHelpNowKY team in the process of managing interest from other states which may implement this website for their own communities. Since her interest lies in education, she is working on researching and making connections with Universities and Colleges throughout the state in an attempt to educate them on the website and its use.

LMS Executive Committee: Charles L. Papp, MD, President; James L. Borders, MD, Vice President; Angela T. Dearing, MD, Secretary Treasurer; Mamata Majmundar, MD, President-Elect; Khalil Rahman, MD, Vice President-Elect; Christopher M. Hickey, LMS EVP/CEO
