- Judges, attorneys, jailers, probation officers
- Syringe support program staff

\*\* Qualify for **8 hours** of CME Credit

AAAP is the DATA 2000 sponsor for this training

At the conclusion of this activity, participants should be able to:

- Screen and identify patients with OUD and define evidence-based treatments.
- Discuss the pharmacology of opioids as it relates to treatment of opioid use disorder (OUD) patients.
- Describe the fundamentals of office-based opioid treatment including the treatment of the co-morbid patient.
- Explain the process of buprenorphine induction as well as stabilization and maintenance.
- Discuss all FDA approved antagonist and agonist medications to treat OUD.
- Discuss basic office protocols including medical record documentation and confidentiality.
- Utilize evidence-based resources to ensure providers have the confidence to prescribe buprenorphine for patients with OUD.
- Recognize the importance of obtaining a waiver to begin treating patients with OUD.

Funding for this initiative was made possible (in part) by grant no. 1H79TI081968 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

Training will be facilitated by two of Kentucky's leading Addiction Medicine Specialists:

*Dr. Michelle Lofwall*  
University of Kentucky

*Dr. Devin Oller*  
University of Kentucky

**Joint Accreditation Statement:** In support of improving patient care, this activity has been planned and implemented by the American Academy of Addiction Psychiatry, the Fayette County ASAP Board and the University of Kentucky. American Academy of Addiction Psychiatry is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

**Interprofessional Continuing Education (IPCE) Designation Statement:** This activity was planned by and for the healthcare team, and learners will receive 8 (eight) Interprofessional Continuing Education credits for learning and change.

**Physician Designation Statement:** American Academy of Addiction Psychiatry designates this Other activity (one portion of this course is an independent online activity and another portion of this course is a live face-to-face educational exchange with a clinical expert trained to present this material) for a maximum of 8 (eight) *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing Designation Statement:** American Academy of Addiction Psychiatry is an approved provider of nursing continuing education through AAAP's Joint Accreditation provider # 4008192. This program is approved for up to 8 Nursing Contact Hours.

**PA Designation Statement:** American Academy of Addiction Psychiatry has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 8 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.
