Anticipated Year of Residency/Fellowship Completion at UK

The Lexington Medical Society hosts 2 programs for the University of Kentucky Medical Students annually. Would you be interested in being a mentor to a medical student? Yes We also host a Career Chats event in March where local physicians host a specialty table and talk to students about their specialty. Would you be interested in hosting your specialty table? Yes
(If you answered "Yes" to either question, a member of LMS will reach out to you via email. Thank you!)

Lexington Medical Society
2628 Wilhite Court, Suite 201
Lexington, KY 40503

PHYSICIAN WELLNESS:

- LMS Physician Wellness Program provides 8 free counseling sessions/calendar year for LMS active & life members, UK COM residents, fellows, graduate students & postdoctoral fellows.

ADVOCACY/SUPPORT:

- Successfully advocated for the passage of numerous bills in Frankfort benefitting physicians and patients, including lung cancer screening, physician wellness, telehealth, liability protections, and more recently HB 716 which focused on prior authorization.
- All LMS dinner meetings are free to members and spouses. Come network with local physicians.
- 2 events for UK medical students in which we need help from our residents, fellows & active physicians: Our mentorship program runs September-May & career chats will be held in March.

EDUCATION:

- LMS offers free CME events throughout the year for members.
- "CME Guarantee" program allows member physicians to receive up to 30 hours of CAT ICME each three-year cycle at no cost. Education includes mandatory licensure requirements, up-to-date clinical guidance, and professional development through a catalog of virtual enduring material.

For Fun:

- LMS Relay Team: LMS is sponsoring a marathon relay team (6 to 10 runners, all abilities) to participate in a marathon relay (26.2 miles) on the UK Campus starting on July 18, 2026 at 7:00pm until complete. Proceeds go to cancer patients and their families to help pay for expenses such as transportation, food, and lodging while patients are receiving cancer treatment.
- LMS Healthy Cooking Classes for Members & Spouses: The first one was held June 13 with another scheduled for this fall. Classes are held at University of Kentucky's Teaching Kitchen, The Food Connection (across from UK's W.T. Young Library).

UPCOMING 2025 EVENTS:

September 2026-May 2027
LMS Mentorship Program
Volunteers Needed. This program is designed to match 2nd year UK medical students with physicians to help them navigate their next steps in school & beyond. You meet with students based on your availability either in-person or virtually and as for as many or few times as you would like.

October 13, 2026
LMS Dinner Social & CME Event: Healthy Habits for Longevity

November 10, 2026
LMS Dinner Social: LMS Presidential Transition & KMA Legislative Update

March 2027
Career Chats

This event is for UK College of Medicine students, but we need physician volunteers to host their specialty tables so the students can explore different specialties of interest. Dinner is provided.
